

## What We Do

**Grace and Glory Academy** is a Charlotte Mason style educational program and private school for hybrid, home-educating families. Our school is based on the foundation of a Biblical worldview. We exist to....

- Serve home-educating families
- Provide unique experiences and support
- Assist you on your educational journey

## Our Background

Michaela and Brad Roekle are the administrators and founders of the school.

Michaela grew up being home schooled from first grade through graduation, and has a passion for the home education movement...
