## Ambleside Inspired -- Summer Institutes

NEW for 2017: "Summer Institute" ~ a one-day intensive, for the teaching parent (homeschooling mother) to attend an immersion seminar, experiencing our unique blend of Classically Charlotte Mason learning, for the 21<sup>st</sup> century student. Our experienced leaders will model teaching and home tutoring, using a reflective practice approach, to help prepare parents for the upcoming school term. By properly equipping parents with tools, ideas, and methods, we hope to be a stronger community of partners, educators and supporters. Discover the backstory, to why we have chosen specific materials and methods, and learn what has proven to work over the years (and what hasn't!). It is our

goal to inspire our parents and students, to grow as "Ephesians 3:20" home educators.

*Attendance is free and required at one event. (for both Members & NonMembers) Multiple dates will be offered.*

## Back to School Night -

*Attendance is required by at least one parent. Monday, August 7<sup>th</sup> 2017*

Attending our "Back to School Night" information meeting, is the best way to meet our entire leadership team and receive important details, to help your student start off the year on the right foot. Books will be submitted that night and it is imperative that you make every effort possible to attend. This evening is for adults only; no children please.
