# Grace and Glory Guidebook

## ELEMENTARY EDITION: THIRD GRADE

### TO THE THIRD GRADE STUDENT

May this year be one of exciting discovery, as you explore God's World!

The Bible says in Ephesians 3:20 "Now Glory be to God, who is able, by His mighty power at work within us, to accomplish infinitely more than we dare to ask or think; beyond our highest dreams or prayers". Cast off any negative thoughts about being below average or far above average, because no matter which level you are beginning at, there is truly no limit to what you can achieve and experience, through God's power at work within YOU.

### TO THE PARENT

May this year be full of God's perfect peace and grace – as you diligently work at the daily, Holy grind, instructing your child at home. We understand that you are a busy parent; we have created this guide to be as simple and easy-to-use as possible, with weekly checklists. It is our prayer that you would relax in the knowledge that many of your student's subjects have been preplanned for you, with this guidebook. Our Grace and Glory campus program is not a complete curriculum; you are responsible for planning and teaching Math, Grammar, Spelling, and Reading at home.

### A 30 WEEK SCHEDULE

The Grace and Glory campus program was formed as a faith-based community of support for like-minded families, to encourage one another on the journey of Charlotte Mason, hybrid-homeschooling. A typical school year consists of 175 days or 35 weeks. Grace and Glory campus classes run from August – May; because our on-campus classes meet for 30 weeks, this guide contains 30 weeks of outlined checklists. [your family may choose to fill the additional weeks of studies/learning adventures, as desired]

Please do not hesitate to contact us, if you should have any questions throughout the school term. We consider it a privilege to partner with you.
