MIDDLE SCHOOL EDITION

TO THE STUDENT

May this guide serve as your weekly compass, to help you navigate the Middle School years. Refer to this guide to check off assignments for at-home and on-campus learning. This year, may you become more independent and take ownership of your education.

The Bible says in Ephesians 3:20 “Now Glory be to God, who is able, by His mighty power at work within us, to accomplish infinitely more than we dare to ask or think; beyond our highest dreams or prayers”. Cast off any negative about being below average or far above average, because no matter which level you are beginning at, there is truly no limit to what you can achieve and experience, through God’s power at work within YOU.

TO THE PARENT

May this year be one of new found freedom and reward, when a paradigm shift occurs – as you allow your student to take responsibility, managing their own assignments and prioritizing their calendar. We understand that you are a busy parent; we have created this guide to be as simple and easy-to-use as possible, with weekly checklists. Please keep in mind, the Grace and Glory campus program is not a complete curriculum. You are responsible for fulfilling state requirements, in the branches of Grammar, Mathematics and Physical Education.

A 30 WEEK SCHEDULE

The Grace and Glory campus program was formed as a faith-based community of support for like-minded families, to encourage one another on the journey of Classically Charlotte Mason, hybrid-homeschooling. A typical school year consists of 175 days or 35 weeks. Grace and Glory campus classes run from August – May; because our on-campus classes meet for 30 weeks, this guide contains 30 weeks of outlined checklists. [your family may choose to fill the additional weeks of studies/learning adventures, as desired]

Please do not hesitate to contact us, if you should have any questions throughout the school term. We consider it a privilege to partner with you.
