

# GRACE AND GLORY HOME SCHOOL COMMUNITY

2018-19 YEAR

●  
CONNECTING TO GOD,  
NATURE AND OTHERS

Thursdays, August to May

Choose your session, order the book kit and prepare for a year of home school adventures!

**High School, Jr High and Elementary Grades**

Discover multi-level living books, with natural, practical learning lessons, and form genuine connections in a ministry based on the foundation of Christ and a biblical worldview.

Families of all home school affiliations are welcome; private or public charter. We desire church attending participants, who agree with our Grace and Glory statement of faith. Newcomers will be screened by family interview.

At the beginning of the school year, we will hold a mother's **Back to School Soiree** to go over community plans, activities and events.

	9:00am-11:00am Core History and Writing at the Heritage Park Classroom

### Wise Citizens: History and Government

Students explore military and government branches, as well as political action at the town, state, and national levels, in a life-applicable study; real court case debates will be conducted on each amendment of the Bill of Rights. Biographies of real-life war heroes aim to develop strong character and patriotism. In-class work and at-home assignments.

FACILITATOR: MICHAELA ROEKLE

### Writing for God's Glory

Develop writing abilities, while strengthening your student's spiritual walk with the Lord. Lesson themes are explained in simple terms, so even tough concepts can be grasped with solid understanding. We strive for fun yet complete, progressive training. First semester is an essay focus (with MLA formatting); second semester is thematic writing and literature study. Writers notebook meets ELA common-core requirements for jr high and high school. In-class and at-home assignments.

Enrichment 11:00-1:00pm PE, Lunch and Jr Science Circle at Mtn. Gate Park	Enrichment 11:20am-1:00pm PE, Lunch and Science Circle at Mtn. Gate Park

### Jr Science Circle: World of Science K-5th

Students explore God's creation from the furthest star in the universe to the smallest creature crawling on the ground. Topical studies are arranged seasonally. Young students will focus strictly on nature study science; upper elementary students will receive an introduction to concepts in chemistry and physics. Middle School siblings are encouraged to work alongside at home, if they need science review.

ALL PARENT SUPPORTED/KEY LEAD: BRENDA EBBERTS

### Science Circle: Applied Engineering 6-12th

Students discover intersections between nature and technology... learning how God's Creation was used to influence various innovations of modern science; acknowledging the Divine Design that inspires our world. Light reading, real research, easy projects and nature journaling. Parents may choose for their student to draw or photograph items for their nature journal entries. Book Kit is non-consumable, and one copy may be used for the entire family. Each student will need a journal.

ALL PARENT SUPPORTED/KEY LEAD: MICHAELA ROEKLE

### Alternative Science Option

Families may choose their own science curriculum + complete nature study journal entries. All students are expected to share about their science lessons and journal entries, when they gather with the group.

RETURNING FOR 2018-19...

PE Fun seasonally rotating physical education activities that promote teamwork and sportsmanship. Great exposure for the athletically timid.

Grades K-2nd participate in park play, games and exercises.

Grades 3+ participate in nerf, tennis, baseball and more.

### **Grace and Glory Statement of Faith:**

We believe there is only One True God, Our Father, The Creator of the Universe, Making of Heaven and Earth – His Son and our Savior, Jesus Christ, and the Holy Spirit, who is our Comforter and Counselor. We believe in the entire Bible, Old and New Testament to be the inspired, Holy Word of God. We believe in God's design for marriage, between one man and one woman. We believe each person is created in God's image for the purpose of worshipping and serving Him, following His commandments and decrees.

### **2018-19 Vision Verse:**

You will always harvest, what you plant. *Galatians 6:7*

May we become ever more aware of what we are planting and sowing, in the lives of our children. Let us strive to plant seeds of faith and wisdom, cultivating curiosity, good habits and the love of learning. Feed and water the children's minds and hearts, with what is lovely and pure....view each student as a uniquely gifted, whole person and seek to surround them with a healthy community of rewarding relationships with God, Others, Self and Creation. **Michaela Roekle, Director**
