

Hello! You are invited to explore all that Grace and Glory has to offer for the 2019-20 school year. We are a private school, comprised entirely of home educating families.

At Grace and Glory, we have a passion for people, extending support and unique educational opportunities to take part in. We encourage parents to implement life learning and the timeless teaching methods of Charlotte Mason. Our goal is to help others discover the blessings and freedom of private homeschooling.

Many families right now are unsettled; they may have a house, car, jobs, school routines, but they aren't living life to the fullest. In the Bible we read that Jesus wants us to prosper, not because we are good, but because God is good! We can flourish with joy, friendships and purpose in our lives. We were put on earth to love others and to share of God's great love. By spending time daily investing in your children's education, you display selfless, sacrificial love, in a way that will impact them for the rest of their lives!

When we embrace education as a lifestyle from a biblical worldview, we break free from the stress and worries of today's school culture. Imagine students learning at their own pace, in the way that comes naturally to them, with resources that nurture your family's morals and values, instead of contradicting them. And you don't have to do this alone... there's a group of positive friends waiting to join you on your journey! Your best homeschool life may not be the same as someone else's, but God wants what is best for you!

As a homeschool graduate, I understand first-hand the needs of our students; as a home educating mother I have 12yrs experience to share and value participating an active member of our community. Come see all that Grace and Glory has prepared for you! **Michaela Roekle -Principal and Founder**

by God's Grace, for God's Glory

**School motto:** based on the 1922 hymn by Helen H. Lemmel ~  
Turn your eyes upon Jesus,  
look full in His wonderful face, and the  
things of earth will grow strangely dim, In  
the light of His glory and grace.

## TEENS Life Group Tutor: Riley Nevarez

For IEW Bible Based Writing Lessons – Monday Mornings

Hello, I am currently approaching my senior year at California Baptist University. My major is English, and I aspire to one day be a high school English teacher and an author. I am 22 years old and very passionate about all things art, literature, and most importantly Jesus. When I am not in the company of friends and family, you can most frequently find me at Starbucks or serving in the high school ministry at my church, Calvary Chapel Chino Hills. ~Riley

## Elementary LIFE Groups

Ages 2-4yrs | 4-8yrs | 8-12yrs

### **ROWING TOGETHER.... with FIVE IN A ROW BOOK CLUB!**

Develop your children's appetite for good literature at a young age! "Five in a row" guides contain literature-based unit studies, utilizing quality, classic books! The reason it's called "Five in a Row" is because you can use each book to read 1, 2, 3, 4 or 5 times in a row each week. I had the pleasure of using Five in a Row when my big kids were little....and I am excited to do it again with my youngest.

#### **>Age Groupings:**

**Ages 2-4yrs BEFORE Five In A Row: Facilitator needed**

**Ages 4-8yrs Five In a Row Volume 1: Facilitator Michaela Roekle**

FIAR can be used as your core curriculum, (adding math & phonics) or as a supplement.

**Ages 8-12yrs BEYOND Five in a Row: Facilitator needed**

FIAR can be used as your core curriculum, (adding math & grammar) or as a supplement. Chapter books replace picture books at this level and each book lasts 6-8wks.

---

#### **>Structure:**

Whether you have a visual, auditory, hands-on learner or special needs to consider, FIAR has activities your student can enjoy! There are MORE activity suggestions than we could possibly cover and plenty of ideas for discussions, crafts, projects and valuable life lessons.

Each mom will rotate taking turns, prepping supplies to bring for the book of the week!

#### **Before Book Club Meetings:**

- 1: Read the book together at home.
  - 2: Pack your child's folder, clipboard and pencil box in his/her backpack.
- >The "Prep Mom", will prep and pack her box of materials for the group activities.

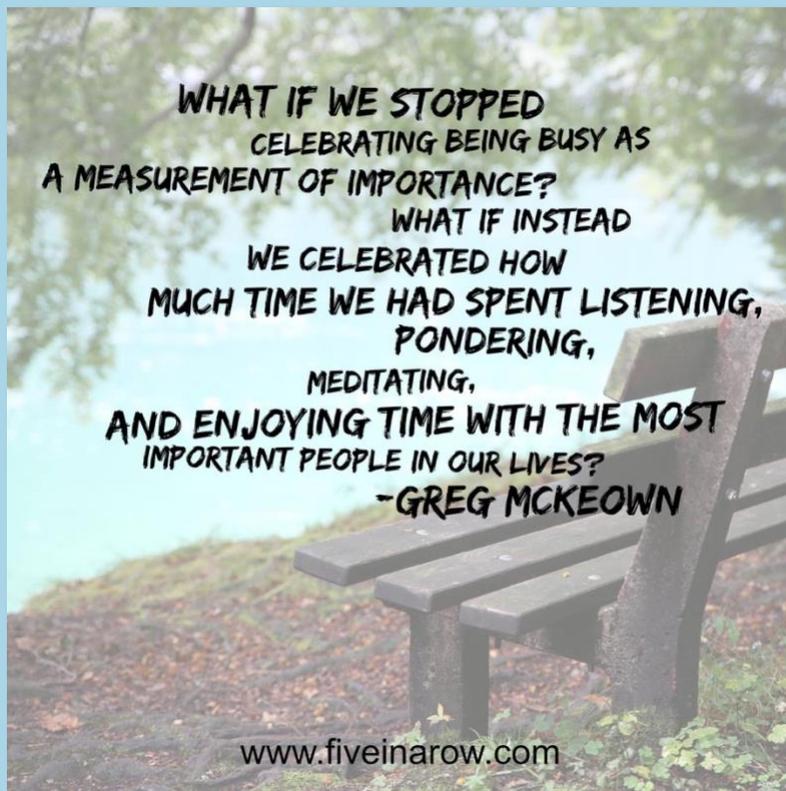

#### **At Book Club Monday Meetings:**

- 1: Arrive on time, ready to learn (free play after FIAR Time)
- 2: Participate in activities WITH your children 😊

#### **After Book Club Meetings:**

Complete additional activities found in the FIAR guide or focus on your other curriculum.

**\*\*Early-Bird sign up's for the rotation schedule will begin June 10th\*\***
