

Grace and Glory Community Summer/Fall 2020

Aside from our private satellite school services, Grace and Glory provides community and support, to enrich the homeschool journey.... we strive to do so naturally and organically, without pulling families away too often from their schoolwork. Our upcoming offerings are broken down into Weekly, Monthly and Seasonal options within this catalog.

We minister from a biblical worldview and ask that all participating families are bible-believing - agreeing with the Grace and Glory statement of faith. Newcomers will be screened by interview.

Families of all home school affiliations (private or public charter) are welcome to join our community.

WEEKLY

PARK DAYS

Wednesdays, at lunchtime. Visit with other moms, while the kids run, play and socialize. Open to all ages. No added fee. Bring nature journals to share/display. Corona Park | Weather permitting, beginning this August

GARDEN CLASSROOMS

Small group classes held in the natural settings of home gardens/patios. Students enjoy open air learning with flexibility to sit or stand during lessons. Find or start a group, which meets your children's needs. Download the *Garden Classrooms Packet* for more info.

MONTHLY

FIELD TRIPS

Adventures for students and families! Outings may be free or require admission tickets; venues will vary as we are able. (nature center, farm, etc.) Starting in September, we will focus on outdoor experiences. *Mondays or Wednesdays*

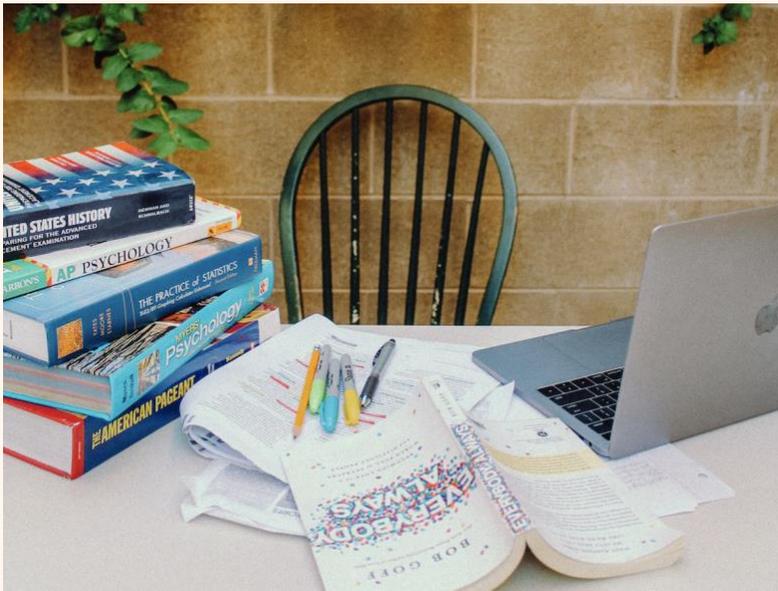

MOMS NIGHTS/BOOK STUDIES

Fellowship and encouragement for homeschooling mommas...meeting together (in person or virtually) to have prayer, share ideas and get questions answered. The Spring/Summer theme is "Triggers". (Wendy Speake's book)
The Fall theme is "Mom Strong". (Heidi St John's book)
Select Tuesday Evenings for 2020-21

FIRMLY PLANTED GROUP

Formerly *Book Club* - a new monthly group for moms and all of their children, age birth through highschool. Utilizing Heidi & Jay St John's "Firmly Planted" Curriculum, monthly meetings are to have Devotions, Nature Study, Writing, and more with holiday celebrations. Led by Mentor Moms age 55+. Starting September, the Second Monday Morning of each month at 10am.

PARENT HELP

Coaching Calls, You Tube Tutorials, Workshops, and High School Planning Help. Although these services are available at no extra charge to members of our private satellite school, we do offer parent help for families outside of our Academy. Please inquire about a quote.

SEASONAL

FLAT STANLEY PROJECT (I.Semester)

Students ages 5 to 10yrs old can sign up for this summer/fall project to read Flat Stanley books. Students create their own Flat Stanley and send him on a "Vacation" to visit a friend/relative. Receive a packet with vacation assignments, report template, sample letter, timeline, and rubric. \$10 per family due by August 17th. A group presentation opportunity will end the project!

SCIENCE FAIR (II.Semester) All ages! More info to come.

As a homeschool graduate, I understand first-hand the needs of homeschooling students to have **community**, connections and memorable experiences; as a home educating mother, I have graduated one student already, with two more to go and I value participating as an active member of our community!

My goal is to encourage you, as you embrace a lifestyle of learning right along with your kids, with Jesus leading the way. Come join us on this journey of life learning!
